- Discussed upcoming season, we have 4 teams for the VFW league and 4 teams for the Travels Thursday 3 person league.
- Talked about going to 2 leagues a year one in the spring and one in the fall that would be close to 15 weeks long starting in January 2012. This would be for all IDA leagues.
- Talked about doing a Summer Blind Draw league. You pay to play and earn points by playing in the draw and based on your finish in the draw. We would need to get the rules down on paper and ready to present in January 2012.
- Need to try and get all of the leagues going in the Fall!
